

English Defence League

Peterborough demo, 21 October 2017

– Announcement

The English Defence League will be demonstrating with a march and speeches to the public in Peterborough on 21 October.

We are demonstrating about four outrages:

- **Sexual grooming and abuse of English girls by Muslim men**

There have been over 130 trials with convictions of Muslim men for grooming, abuse and rape of English women and girls. Three of those trials were for offences committed in Peterborough. We will speak out against the *rape jihad*.

- **Female Genital Mutilation (FGM) in Peterborough**

Dozens of women have been identified as being victims of female genital mutilation (FGM) in Peterborough in 2017 according to local media. FGM is a crime, yet there have been NO prosecutions in Peterborough. We will ask “What is going on?”

- **Attacks on English lads by groups of Peterborough Muslims**

There have been two recent serious assaults on English lads by large groups (about 30) of Muslims in Yaxley, south Peterborough. We will demand freedom from bullying for English lads on English streets – their streets.

- **Terrorism in the UK**

March: Westminster (4 killed/50 wounded); May: Manchester (22/250); June: London Bridge (8/48). Now, in September, Parsons Green: 30 wounded. We demand action to prevent Islamic terrorism in England.

Why is the EDL speaking up in Peterborough?

To anyone who asks:

- “Why is the English Defence League demonstrating about crimes the police, politicians and media are already dealing with?” ... or
- Why doesn’t the English Defence League stay away from Peterborough?”

We say:

- The feeble, irresponsible, belated and craven responses to these outrages show that *more* protests are needed, not *fewer*. In every city.
- In our democratic society street *peaceful* protests like ours are a *legitimate* way to project a message. We make no apology for using all peaceful and legitimate avenues within our reach.
